Lagos, Nigeria | miaadex108@gmail.com | +234 907 131 9328 | linkedin.com/in/mia-adex-993610430 | Available for Remote Projects

PROFESSIONAL SUMMARY

AI UGC & Video Ads Creator based in Lagos, Nigeria, specializing in realistic, social-first video advertising for brands. Skilled at combining AI-generated visuals, storytelling and short-form platform strategy to turn products into scroll-stopping content across TikTok, Instagram Reels and Facebook. Comfortable working directly with clients end-to-end, from concept and script through to a finished, publish-ready video.

CORE SKILLS

- AI UGC Video Ads & AI Spokesperson Videos
- AI Product Advertisements & Product Demonstration Videos
- Unboxing Videos & Lifestyle Advertisements
- TikTok / Instagram Reels & Short-Form Promotional Video
- Cinematic Product Commercials
- Video Ad Concepts, Scripts & Hooks
- Social-First Storytelling & Content Strategy
- Client Communication & Brief Interpretation

PORTFOLIO HIGHLIGHTS

Selected AI UGC and product-ad concepts produced as part of an ongoing personal portfolio of social-first video advertising work:

Product Story — AI UGC concept project built around a clear, product-first hook.

Everyday Ritual — AI UGC product ad set inside a natural, everyday routine.

A Better Routine — Lifestyle concept project placing a product inside an aspirational moment.

Open Air — Cinematic concept project with elevated lighting and composition.

Modern Beauty — AI UGC product ad for a beauty / skincare-style product.

Full video portfolio available on request or via portfolio website.
